

THE SECOND  
**Australian Society of Heterodox  
Economists Conference**

*Life,  
the Universe,  
and  
Everything*

---

10–12 December 2003  
University of New  
South Wales

---

Help build on the success of last year's inaugural conference, which featured economists from all over the globe and a broad spectrum of disciplines, by attending the 2003 *Australian SHE* conference.

We are seeking participation from a wide range of heterodox economists on all areas, including those outside of the mainstream. The deadline to submit a 500-word abstract for a proposed paper is October 1, 2003.

Please submit abstracts to Dr. Peter Kriesler at the following address:

Society of Heterodox Economists  
School of Economics  
The University of New South Wales  
Sydney, New South Wales 2052  
Australia
