

# 4th Annual International Contest on LTPP Data Analysis

Announcement No. 1

# Data Dawe

The Federal Highway Administration (FHWA) and the American Society Of Civil Engineers (ASCE) are co-sponsoring the International Contest on LTPP Data analysis. Now on its 4th year, the contest is designed to encourage university students, professors, and highway department engineers from around the world to get involved in using the LTPP database. The contest deadline is August 15, 2003. We would like for you to encourage all your colleagues and friends to participate.

### *The contest is judged on:*

- Usefulness of product and potential benefit to end users,
- Originality of concept, demonstrated use of the LTPP database,
- Organization of paper, and presentation (including clarity and style).

### *The contest also has four distinct categories:*

- Category 1, Undergraduate Students (Individual or team entry)
- Category 2, Graduate Students (Individual or team entry)
- Category 3, Partnership
- Category 4, Curriculum

### **Highlights (Total Prize per Category)**
