

OS Select is a personalised map service from Ordnance Survey. Based on the popular Landranger® maps, OS Select maps can be centred on any site you choose. Your map is supplied flat and delivered in a tube and, whether you frame it or fold it, your unique map is sure to be of interest for years to come.

HOW TO ORDER YOUR UNIQUE MAP

Simply fill in the application form overleaf, including your OS Select map details and also your personal and payment information. Post the completed form in an envelope addressed to:

OS Select, Ordnance Survey,  
FREEPOST DR83, Ashford, TN24 0YX.

YOU DON'T EVEN NEED A STAMP!

If you would rather order by telephone or require more than one map, please call the relevant number below, quoting reference: GEN10/02

Inside UK 0845 200 2712 (calls charged at the local rate)  
Outside UK +44 1233 211108

Please note: when ordering your map please be aware that the map will be centred on that location. Therefore if your desired map centre is in a coastal area it is possible that the site centred map will have significant areas of sea. Ordnance Survey cannot offer refunds on any map where the details as written on this form have been entered correctly by us.

TERMS AND CONDITIONS  
By following the OS Select instructions, the OS Select service allows you to order personalised maps centred on your chosen location.

You are responsible for any text and/or images which you put into the title and/or subtitle of any map which you customise using the OS Select service. You agree to use only legal and proper material in the title and/or subtitle of any map and you agree that you will not:

- (a) publish or upload any unlawful, inappropriate, defamatory, abusive, threatening, obscene, racist, sexist or homophobic material or any material which violates the legal rights (including rights of privacy and publicity) of others;
- (b) publish or upload any material that infringes any patent, trademark, copyright, trade secret or other proprietary right of any party (unless you are the owner of such rights or have the permission of the owner to publish or upload such material);
- (c) upload any files that contain viruses, corrupted files or any other similar software or programs that may damage the operation of another's computer; or
- (d) impersonate another person or entity.

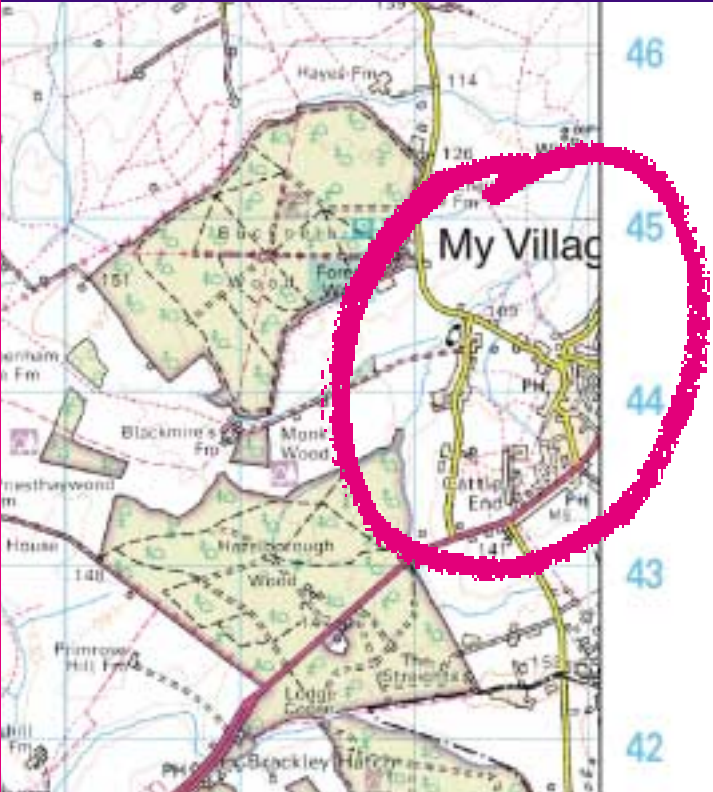

We will not be responsible for any material which you publish or upload in contravention of the above. We reserve the right to refuse to supply you with any map which we think (in our absolute discretion) contravenes the above and we also reserve the right to require you to cease using any map which contains any material which contravenes the above restrictions which comes to our attention after we have supplied a map to you.
