January 2003

Full supporting programme of lectures
skill stations and demonstrations with
some famous immediate care names

The Sandpiper Trust will be with us and a full
supporting area of trade equipment stands

A family weekend in our capital city right next to the Zoo, not to mention some retail therapy for partners and families. All those things that those of you from the city never think to do and for those of you from the Highlands and Islands, never get a chance to do.

Good rates are available from The Hilton quoting "**Sodexho**"
or The Holiday Inn quoting "**Best Breaks**".

PGEA approved
meeting from 0900
to 1800 so three
points or nine hours
will complete this
years requirement of
PGEA, but with good
fun, skill practice and
some equipment that
you will not have
seen before. We
may, *and only may*,
get to see the new
RAF helicopter.

Make it a weekend to remember!

Application form
enclosed which
will guarantee
your place

We are limited to
70 delegates
