

**International
Workshop**

Resources of the seabed area and subsoil

Legal, scientific and economic aspects of its exploitation and conservation.

Buenos Aires, Sheraton Hotel.

May 15th, 16th, 17th, 2006

The National Commission on the Outer Limit of the Continental Shelf (COPLA) and the Argentine Council for International Relations (CARI) are organizing an International Workshop "Resources of the seabed and subsoil - Legal, scientific and economic aspects of its exploitation and conservation."

It will be held from May 15th to May 17th, at the Sheraton Hotel in Buenos Aires.

National and international experts of different organizations involved in geological, geophysical, hydrographic, legal and economic aspects related to the outer limit of the continental shelf, and to the exploitation and conservation of the resources of the seabed and subsoil, will participate in the Workshop.

The provisional agenda is attached to this mail.
