

**MAKE  
IT AT  
THE MET**

Glasgow Metropolitan College seeks applications from suitably qualified persons for the undernoted post:

## **Digital Librarian**

**(Established Full Time or Job Share)**  
**Salary £18,755 rising to £23,706 by annual increment.**

Reporting to the Chief Librarian, the successful candidate will have responsibility for the management of Library IT and will support the development and delivery of all library services including on line collections and services. With a degree or Postgraduate Diploma in Librarianship/Information Science, or equivalent, you must have working knowledge and experience of automated library systems, computer operating systems and network communications.

The successful applicant for this post will be subject to an Enhanced Disclosure Scotland check.

Application packs can be obtained from the College website at [www.glasgowmet.ac.uk/about/jobs.html](http://www.glasgowmet.ac.uk/about/jobs.html); [www.scotcareers.co.uk](http://www.scotcareers.co.uk) or from Personnel Services on 0141 566 4175/1637/4154/4155. Applications should be submitted by 02/06/06.

We are an equal opportunities employer and welcome application from applicants who will add diversity to the College. Applications are particularly welcome from individuals with disabilities and from members of ethnic minorities as we are under represented in these groups.
