

HIGHER EDUCATION POLICY CONFERENCE

The Internationalisation of HE Policy and the challenges presented continue to pose questions for academic leaders and policy makers.

Midlands Staff Development Partnership are pleased to announce the eleventh in a series of conferences aimed at policy makers in HE. Supported by the Higher Education Academy this conference approaches the Internationalisation of HE from a variety of perspectives. The aim of the Conference is to use these varying perspectives to help institutions decide how to position themselves in response to the challenge of the internationalisation of UK Higher Education

Target Audience

The Conference aims to bring together people who are involved in policy, planning and resource allocation at Institutional level. It will be particularly relevant to Vice-Chancellors, Pro-Vice Chancellors, Deans, Registrars and senior administrative and academic staff
