

# UK Community Psychology Conference 2006

20—22 September

GREAT  
YARMOUTH

N

**Conference Theme**  
**MAKING WAVES:**  
Creating and sustaining change

**Call for papers/workshops/posters**  
**(and other creative formats)**

We welcome expressions of interest for papers, workshops, posters and other forms of presentations which relate to the theme of the conference. We are particularly seeking submissions relating to marginal or silenced voices, and seek to have representations from people and groups across the full range of diversity that is to be found and celebrated within our communities.

Please get in touch if you would like to contribute to the conference. The deadline for summaries or abstracts is **20 MAY 2006**.

With your submission, we will need the following information:

- Your name and contact details
- Title of paper/workshop/poster, etc.
- Summary or abstract
- Audio-visual equipment/space required.
