

GETTING TO THE STUC

By Car

The STUC is on the corner of Woodlands Road and Park Road and has a small car park for visitors.

If approaching Glasgow on the M8 from the **North or Edinburgh** exit the motorway at Junction 17. This is signposted Dumbarton A82 and leads onto Great Western Road after turning right at a set of traffic lights immediately on leaving the motorway. Proceed straight ahead passing an Esso garage on the left. You will then come to a set of traffic lights. Turn left at these lights into Park Road. Continue for 2 blocks until you come to the STUC which is in an old school on the left hand side.

If approaching Glasgow on the M8 **from the South** - after crossing the Kingston Bridge and passing Junction 19 get into the left hand lane marked Aberfoyle/Dumbarton. Take the Dumbarton exit which will bring you onto Great Western Road. Proceed straight ahead passing and Esso garage on the left. You will then come to a set of traffic lights. Turn left at these lights into Park Road. Continue for 2 blocks until you come to the STUC which is in an old school on the left hand side.

By Bus or Train

If coming into the City Centre by either bus or train, go to either St Enoch's Square or Buchanan Street undergrounds and get a train to Kelvinbridge. Leave Kelvinbridge station by the entrance on the right hand side (do not go up the second escalator) and walk along the cobbled street which leads up the hill to the left. When you get to the end of this street, the STUC building will be across the road facing you.
