

# Regional Science Association International: British and Irish Section

Registered charity No. 277247

## 37<sup>th</sup> ANNUAL CONFERENCE

**Marine Court Hotel, Bangor, Northern Ireland,  
15 – 17 August 2007**

### CALL FOR PAPERS

The RSAI British & Irish Section invites the submission of Abstracts to be considered for the 2007 Annual Conference programme. Although some conference themes are listed below **quality papers in all areas of regional science are welcome.**

- Irish economies and their comparators/competitors
  - Geographies of transition and EU accession
  - Environment and regional development
  - Spatial analysis and geodemographics
  - Testing the new economic geography
  - Innovation and competitiveness
  - Spatial productivity disparities
  - Transport and infrastructure
  - Growth and agglomeration
  - Regional labour markets
    - Land use constraints
    - Health geographies
    - Regional finance
- Special session for early career / doctoral students

We define ‘early career researchers’ as those who have completed their studies during the last three academic years. If you are eligible and wish to be considered for the early career / doctoral student award and/or session then please bring this to the attention of the Secretary when you submit your abstract.

Abstracts of approximately 400 words should be submitted (preferably by e-mail) to the Secretary at the address below as soon as possible and **by January 31st 2007 at the very latest.** Authors will be notified of the committee’s decision in March 2007.

For any further information regarding the conference please contact the Secretary:  
Dr Don J Webber, Secretary RSAI:BIS, School of Economics, Bristol Business School,
