

GIS TECHNICIAN

Salary Grade 7 (£16,217 – 17,154) 37 hours per week

Applications are invited for a GIS Technician.

We are looking for an enthusiastic and committed individual to support the corporate GIS service. Duties will include provision of maps to support corporate GIS users and assist in the management of geographic data.

You will have experience of GIS, knowledge of ArcGIS (9.2 would be desirable) and cartographic skills. This is a challenging post, which requires good communication skills and an ability to work in a team as well as on your own initiative.

The Civic Centre lies within the County town of Northallerton and offers a wide range of facilities.

Our benefits package includes:

- relocation allowance;
- final salary pension scheme;
- flexible working hours;
- adjacent leisure facilities.
