

As one of the largest local charities in the West Midlands, we have ambitious expansion plans that include the development of new centres of excellence, increasing the involvement of our service users and a focus on continuous improvement and quality. We need an experienced Operational Manager to help us deliver our ambitious targets.

Head of Care and Support

**c. £40,000 pa
Birmingham**

We need an exceptional leader to manage and develop our services for people with needs ranging from sight loss to multi-disability. We are approaching a period of modernisation and expansion that requires:

- Experience of managing change within social care
- Knowledge of regulatory frame works, CSCI, SP, Valuing People
- Sound aptitude for budget management
- Understanding of and commitment to user led services
- Effective communication, problem solving, negotiation skills
- Energy, drive and enthusiasm

This is a unique opportunity to influence operational and strategic agendas across our services spanning day services, registered care, community support and low vision. If you fit the bill we would love to hear from you.
