

Inspiring exhibitions – in your hands

With a range of exciting and innovative projects planned, our goal is to engage and inspire an ever broader range of audiences. Now's your opportunity to play your part, taking on a key role in delivering those projects across our three sites.

Exhibitions Manager

£23,000 – £30,000

We need you to oversee the delivery of a diverse spectrum of display projects from inception through to on-time and on-budget completion. The ability to work with people from across the organisation is important, together with proven experience of managing exhibition projects in a heritage or cultural environment.

Exhibitions Curator

£20,000 – £28,000

This is your chance to shape the way we interpret, present and display content in our permanent and temporary exhibitions. While a heritage background would be ideal, you must be able to work closely with a range of people both internally and externally. Strong communication and research skills are also essential.
