How to Share the World

“We cannot share the world as it already is, with the exception of the natural world. The world that we can share is always and still to be elaborated by us and between us starting from what and who we are as humans here and now. Humans who endeavour to use their own energy as well as that arising from their difference to create a world in which we can live in peace and happiness.”

Luce Irigaray, *Sharing the World*

This event is part of a PhD seminar series by Luce Irigaray and Queen Mary, University of London, www.busman.qmul.ac.uk/events. For further information, please contact, Ishani Chandrasekara, email: i.chandrasekara@qmul.ac.uk

A reception and book signing will follow the lecture.
