

# HELLENIC CRYSTALLOGRAPHIC ASSOCIATION

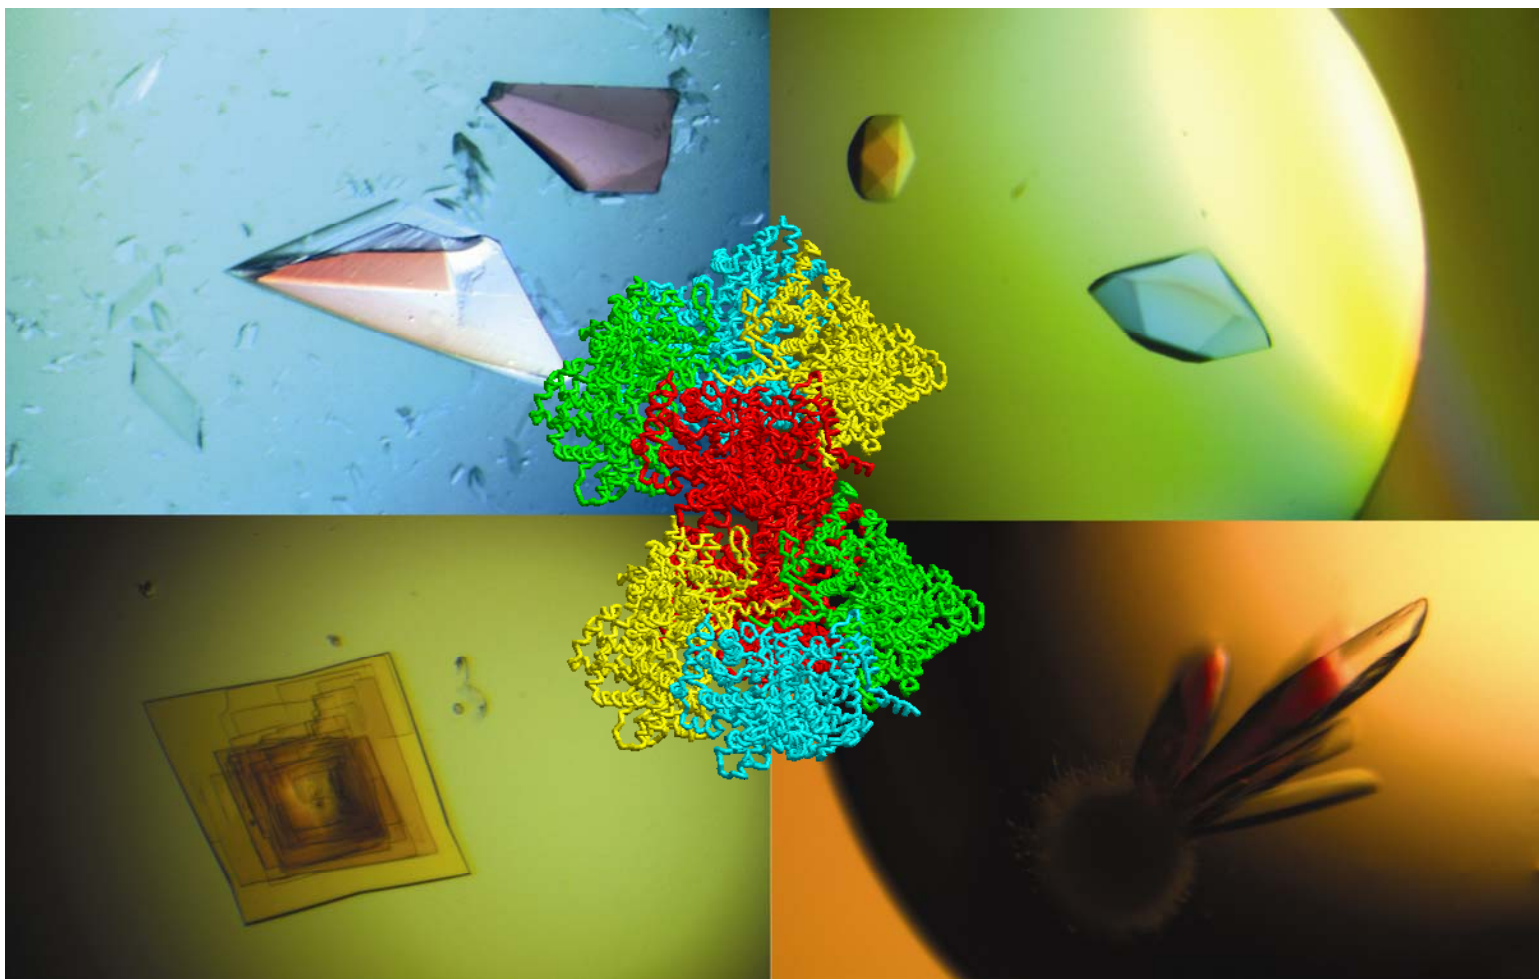

## 4<sup>th</sup> Conference

26-27 September 2008, National Hellenic Research Foundation

48 Vas. Constantinou Avenue, 11635 Athens

[www.hecra.gr](http://www.hecra.gr)

- ✱ **Macromolecular and small molecule crystallography**
- ✱ **Structural Biology & Biophysics**
- ✱ **Physics of condensed matter**
- ✱ **Structure driven drug design**
- ✱ **X-ray diffraction applications in physics and geology**
- ✱ **Bioinformatics & Macromolecular modeling**

The scientific program of the conference will include:

- Invited lectures from abroad and Greece
- Oral and poster presentations

Official language of the conference is English

**Registration fees: Delegates, 30 €; Postgraduate students, 15 €; Undergraduate students, free**

Scientific Committee: N.G. Oikonomakos, M. Calamiotou, N. Glykos, S. Hamodrakas, A. Hountas, I. Mavridis, T. Mavromoustakos, A.C. Papageorgiou, K. Petratos, S. Tzartos

***Deadline for submission of abstracts to Dr. E.D. Chrysina (echrysina@eie.gr): 5th of September 2008***

Organizing Committee: N.G. Oikonomakos, D.D. Leonidas, S.E. Zographos, E.D. Chrysina, A. Pavlidou
