

SUE-MoT Conference 2009

Second International Conference on Whole Life Urban Sustainability and its Assessment

22–24 April 2009

Loughborough, UK

Conference aim

The conference will bring together leading international researchers, professionals, tool developers, policy makers and other stakeholders who are involved in the field of urban sustainability assessment to exchange ideas and knowledge on how to meet the assessment needs of urban decision-makers.

Themes

The conference themes are:

- Urban planning and design for sustainability
- Sustainable buildings: design, performance and assessment
- Quality of life in the urban environment
- Stakeholder participation
- Urban sustainability and the move to low carbon developments
- Measures, assessment theory, complexity and uncertainty

Conference organisers

SUE-MoT is a consortium of Dundee, Glasgow Caledonian, Loughborough and St Andrews Universities funded under the UK EPSRC's Sustainable Urban Environment Programme to develop Metrics Models and Toolkits for Whole Life Sustainable Urban Development.

Dates

15 Oct 2008	Extended abstract submission deadline
22 Oct 2008	Notification of acceptance
1 Dec 2008	Submission of full papers for review
1 Feb 2009	Notification of feedback from the Scientific Advisory Committee
1 Mar 2009	Submission of final papers

Programme & Cost

The conference will open with registration on the afternoon of Wednesday 22 April 2009. There will be a keynote address on Thursday 23 April, followed by parallel workshop sessions. Friday 24 April will start with another series of parallel sessions, and will conclude with a plenary session. A conference dinner will take place on the evening of Thursday 23 April 2009.

The conference registration fee includes a printed book of abstracts and an electronic copy of the conference proceedings, refreshments and lunches during the conference, the reception and the conference dinner. The conference costs £395 (or £350 if booked before 15 March 2009), with a discounted rate of £200 for students.

There will be a PhD workshop on the afternoon of Wednesday 22 April 2009, with a limited number of places available at £50 each.
