

# Green Gown Awards 2009

## Get Your Institution Recognised in the Leading Sustainability Awards Scheme for UK Universities and Colleges

The Green Gown Awards, now in their 5th year, recognise exceptional initiatives being taken by universities and colleges across the UK to become more sustainable. With sustainability moving up the agenda, they have become established as a prestigious recognition of the achievements within the further and higher education sector, as well as the environmental sector.

### About the Awards

The Awards have a variety of categories that universities and colleges can illustrate their achievements in both academic and estates management. Press coverage of the Awards has included high profile supplements in the Times Higher as well as a brochure of the winners. The Awards also run workshop events throughout the year sharing the good practice to the sector.

The Green Gown Awards are administered by the EAUC and are governed by a cross agency steering group made up of AoC, AUDE, BUFDG, Guild HE, HEEPI, HEFCE NUS Services Ltd and UUK.
