

We invite delegates to present possibilities and problems of group psychotherapy in the treatment of offenders and to evaluate the state of the art of group psychotherapies in the forensic field as well as possible perspectives and new developments. We also invite contributions about group dynamics and transference processes in institutions treating forensic patients.

Invited Keynote speakers and contributors: Gwen Adshead (UK), John Clarkin (USA), Gerhard Dammann (CH), Rudolf Egg (GER), Michael Günter (GER), Klaus Hoffmann (GER), Martin Humphrey (UK), Tilman Kluttig (GER), Fritz Lackinger (A), Franziska Lamott (GER), Friedemann Pfäfflin (GER), Wilhelm Preuss (GER), David Wilson (UK), Estela Welldon (UK).

The historical town of Konstanz is the largest town on Lake Constance. Located at the shores of Lake Constance and the River Rhine Konstanz is close to the Swiss and Austrian Alps and the Black Forest. The nearest international airport is Zürich airport with comfortable trains running to Konstanz regularly with a travel time of about 1 to 1½ hours. Other international airports nearby are Friedrichshafen and Stuttgart. Please see also the websites of Reichenau Psychiatric Centre (www.zfp-start.de), University of Konstanz (www.uni-konstanz.de) and the tourist office of Konstanz (www.konstanz.de).
