

## Community Projects with our Objects

A one day workshop plus two 1-1  
sessions to plan your project  
All free of charge

Wednesday 3rd June 2009  
10am - 4pm

“I found the day was inspiring, surprising and  
truly a learning curve. More please!”

Storyteller, Lewisham Libraries, 2008

“Being able to handle the objects was such  
a pleasure.”

Community Action Group leader, 2008

**Do you lead a community group?**  
**Would you like to bring them into the Horniman's Hands On Base gallery to touch and explore thousands of objects from all over the world?**

Then come to this workshop to learn how to use our objects to run your project. The Community Projects with our Objects workshop will provide:

- **Training in how to handle and care for museum objects**
- **A practical guide to using our Hands On Base gallery**
- **Ideas for developing projects with your group**
- **A tour and introduction to the Museum, its collections, galleries and gardens**
- **Opportunities for networking with other community groups**

After completing the training, you will be able to run sessions with your group at the Horniman Museum free of charge.

**To book, please contact Community Education quoting Community Projects with our Objects**
