

Working Systemically with Paediatric and Adolescent Health: Practice Based Evidence

Monday 8th February 2010

9.30 – 17.00

at

**Institute of Child Health,
30 Guilford Street
London WC1N 1EH**

This conference brings together the creative practice of experienced clinical psychologists and systemic psychotherapists working in paediatric and adolescent medicine at UCLH.

The program will include presentations and practice-based workshops on innovative approaches to: challenging overweight; working with service users as 'experience consultants'; neuropsychology; engaging complex medical systems; chronic pain and cancer.

The presenters will draw from systemic, constructionist, and narrative therapies and include: Angela Griffin, Deborah Christie, Glenda Fredman, Ruth Erskine, Sara Portnoy, Zoë Berger

Fee: £120

**Early Booking Fee: £95 (book by 1st December 2009)
Includes lunch and end of conference reception**

University College London Hospitals 
NHS Foundation Trust
