

THE WORK THAT RECONNECTS

WORKSHOP IN VAUXHALL, LONDON

Saturday 11 July 10-5pm

Come and find out how we can handle

CLIMATE CHANGE

PEAK OIL

LOSS OF BIODIVERSITY

EXTREMES OF WEALTH AND POVERTY

and now

POLITICAL & FINANCIAL WOBBLES AS WELL!

... not just in our minds but in our hearts and feelings.

And how we can move from a way of life devoted to consumption, greed,
exploitation and endless economic growth – until it fails!

TO

A truly life sustaining one.

COME

Joanna Macy's "Work that Reconnects" (www.joannamacy.net) offers a safe space to ground our feelings and access our power in nourishing, inspiring, uplifting and energising ways. It uses experiential exercises to explore our emotional responses, reconnect with our passion to act for life and transform concern for the world into active engagement.

Places are limited: please contact Jim Scott at saveourworld@ntlworld.com or on 020 7640 0492 as soon as possible.

This Workshop utilises Joanna Macy's methods (www.joannamacy.net) and is supported by Save our World and Transition Town Brixton.
