

THE AFIYA TRUST

Exciting New Opportunities at the Afiya Trust

Over the past decade, the Afiya Trust has built up a reputation and gained respect around its work on addressing inequalities in health and social care for racialised communities. Having successfully secured funding from Communities and Local Government (CLG) under Tackling Race Inequalities Fund, Afiya is now embarking on the next exciting phase of development.

As part of this work, the Trust is seeking to recruit consultants to the following key areas

Feasibility study and development of a Healthy Community Hub (Ref: 11/09 HCH)

Tasks will include:

- Development of a business plan
- Drawing up of specification for premises
- Assessment of options regarding leasing or ownership
- Identification of funding sources
- Premises Search

Mapping of BME health and social care organisations (Ref: 11/09 MHSCO)

Tasks will include:

- Consultation events for key stakeholders and community organisations
- Development and production of online survey and postal questionnaire
- Production of final report identifying key issues for the BME health and social care sector

Development of Afiya's Communication Strategy
(Ref: 11/09 ACS)
