An exciting opportunity for you to come to the second National Network meeting of the NBCCWN. Come and share your views within the Shaping the Future of Care Together Green Paper

Listen to **Phil Hope**, Minister of State for care services share his views on the future of Social care and how these will impact BME communities

- **Keynote speakers**
- **Workshops**
- **Networking**
- **Refreshments and Lunch**

The National Black Carers & Carers Workers Network is the voice uniting the hopes and aspiration of BME Carers

On the Day:

People can expect presentations on the economic contribution made by BME communities and how their voice can help shape the future of the social care system. They will have an opportunity to network and find out about the NBCCWN and what it is doing. They will hear a carers perspective on their experiences of the social care system.

It will be a great day to contribute their views and ideas on shaping the social care system to ensure there is equity for BME communities
