The 13th Biennial Conference of the International Society for Justice Research

August 21-24, 2010
Banff, Alberta

"Rights and Equality in the Global Community"

Keynote Speakers

Professor Kathleen Mahoney
Faculty of Law
University of Calgary

Professor Fathali Moghaddam
Department of Psychology
Georgetown University

The **Biennial Conference of the International Society for Justice Research** is a forum for the presentation and discussion of research on justice and fairness.

Researchers of all relevant disciplines are invited to propose papers, posters, or symposia on the conference theme of Rights and Equality or any other justice-related issue.

Deadline for Final Submissions: February 28, 2010

Please visit the conference website for details:
