

**University of Surrey**  
**Faculty of Health and Medical Sciences**

**PROFESSOR (CLINICAL PRACTICE IN MIDWIFERY) - Ref: 7298**

**Salary £55,259 per annum**

The Division is a leading provider of undergraduate (midwifery, nursing, operating department practice, and paramedic) postgraduate and post registration healthcare education, research and consultancy. The Division has extensive links with local NHS services.

We are seeking a Professor to lead on midwifery research and to provide strategic leadership for midwifery education. The post holder will have a strong research profile and will work with the lead midwifery educator to continue to develop cutting edge midwifery education. There are excellent links with local midwifery departments and joint research projects and clinical attachments are encouraged.

In addition to salary you will receive a generous annual leave entitlement and excellent development opportunities. Benefits package includes final salary pension, childcare assistance and leisure facilities.

You can apply online at [www.surrey.ac.uk/jobs](http://www.surrey.ac.uk/jobs). Alternatively, for an application pack, contact 01483 684596 (24 hour answer phone), or email [FHMS\\_HumanResources@surrey.ac.uk](mailto:FHMS_HumanResources@surrey.ac.uk) quoting job reference 7298. Please note that CVs will not be accepted without a completed application form.

When completing the online application form, please ensure you include a supporting statement and either complete the previous work experience and education sections of the application form or submit a CV.

Closing date: **16<sup>th</sup> November 2009**
