

Advancing Undergraduate Chemistry Education

Brunner Lecture Theatre, Department of Chemistry,
University of Liverpool
Wednesday 24 February 2010, 13:20 – 17:00

This half day award symposium features lectures from 2 recent RSC Prize & Award winners:

From Parrots to Professionals - Developing Effective Chemistry Graduates

Professor Tina Overton (University of Hull, UK)

Awarded the RSC Nyholm Prize for Education for leadership and initiative in developing areas of chemistry education

From Chemical Reactions to Community Interaction - Developing Authentic Learning

Dr Claire McDonnell (Dublin Institute of Technology, Ireland)

Awarded the RSC Higher Education Teaching Award for the way her numerous teaching and learning developments in relation to tutorials, virtual learning and context based learning have encouraged and supported students to greater enthusiasm and success

Chewing Things Over in the Laboratory

Professor Simon Belt (University of Plymouth, UK)

This is a FREE event, for more information please visit www.rsc.org/EDliverpool
