

CALL FOR PAPERS - Comparative Analysis of Enterprise (Micro) Data Conference

The 2010 Comparative Analysis of Enterprise Data (CAED) Conference will be held from Friday 24th September to Sunday 26th September 2010, in London. This will be the 10th CAED Conference. The organising institution is the Imperial College Business School, Imperial College London.

Call for Papers:

CAED invites submissions of papers for all research using enterprise micro data. Topics of interest include, but are not limited to, resource reallocation and adjustment costs, productivity, information and communication technology, R&D, market competition, exit and entry dynamics, transition and development, labour issues, environment, corporate governance, corporate finance, trade, and linked employer-employee analysis. Submissions should be either a full paper with an abstract of 400-600 words, including a description of the data used in the analysis, or an extended abstract of 800-1600 words. Authors chosen to present papers at this conference will be notified by May 28th 2010.

Email your submissions to: caedpapers@imperial.ac.uk
