

Science Education Officer

£25k per annum

Bristol

ss Great Britain Trust offers a range of innovative education programmes for all ages. In order to deliver and further develop the programmes we are seeking an outstanding educator to join our team. You should have a science specialism, be imaginative, passionate about inspiring learners and committed to the highest standards of delivery, and have an enthusiasm for engaging the widest possible audiences.

To apply, see details on www.ssgreatbritain.org

For an informal discussion please contact Rachel Roberts, Education Manager, on rachelr@ssgreatbritain.org.

Closing date: 5pm Monday 15th August 2011
