Creative Ideas for the outdoor classroom will be led by Mark Jefferys, one of only three accredited Earth Education trainers in the UK, and Laura Hetherington, a highly creative and motivated drama-in-education specialist.

With over 20 years experience of education at grass roots and strategic levels, Laura has experience from Key Stages 1 to 4 as well as a wealth of experience of leading training sessions, facilitating workshops, directing theatre, telling stories and developing learning strategies.

Mark has over 25 years experience in environmental and earth education, teaching adults and children of all ages in the UK, Australia and America. He is passionate about bringing the natural world to life and reconnecting people with nature in creative ways. A keen songwriter and guitarist, Mark often uses his music in environmental programmes.

Mark and Laura will introduce various techniques and demonstrate how they can be applied in different situations, with the aim of inspiring creative teaching and learning across the outdoor curriculum.

Places are limited.
