

MIDWIFERY WORKSHOPS

Saturday 19 November 2011, 9:00 am – 5:00 pm

Oxford Brookes University, Jack Straw's Lane, Marston, Oxford, OX3 0FL

WORKSHOP 1:

Verena Schmid, Midwife and Educator, Florence, Italy

In this workshop, Verena will explore the physiology of transition and the second stage of labour and the clinical and interpersonal skills required to optimise the care of women in childbirth.

WORKSHOP 2:

Ghislaine Gautreau, Osteopath and General Practitioner, France

In this workshop, Ghislaine will recap on the physiology of pregnancy, childbirth and the puerperium. She will discuss and demonstrate how osteopathy can be used to optimise the physiology for women during pregnancy, childbirth and the puerperium.

In each workshop, attendees shall have the opportunity to practice techniques to enhance and develop their practice.

Attendance fee: £35 to attend both workshops.

More information: To book a place, please contact Ethel Burns or Dawn Gilkes.

Places are limited and shall be offered on a first come, first served basis. Please act early to avoid disappointment.
