

## Health Sciences and Practice Subject Centre

### From expert to novice: workshop for new academic staff 15<sup>th</sup> November 2011

King's College London, Waterloo Campus

#### Programme

This workshop is designed for those who are new to working in higher education and who have come into it from working in health and social care settings. The aim of the day is to outline strategies which may assist the transition from one environment to the other.

- 10:15** Welcome and refreshments
- 10:30** The expert to novice experience – survival and success strategies
- 11:30** How was it for you? Personal experience of becoming an academic
- 12:30** Lunch
- 13:30** Applying the strategies
- 14:30** Going forward
- 15:30** Close

#### **Outcomes for the Day**

- To understand some of the factors affecting transition into HE
- To learn some practical strategies for facilitating transition
- To develop some techniques for finding and using support
- To develop some skills in managing common difficulties
