

Call for Abstract and Paper

2012 World Congress on Medical Physics & Biomedical Engineering (WC2012)

The triennial World Congress on Medical Physics and Biomedical Engineering will be held from May 26th to 31st in 2012, at Beijing International Convention Center, Beijing, China. The congress in 2012 is hosted by International Union of Physical and Engineering Sciences in Medicine (IUPESM), International Organization for Medical Physics (IOMP), International Federation for Medical and Biological Engineering (IFMBE), Chinese Society of Biomedical Engineering (CSBME) and Chinese Society of Medical Physics (CSMP). The congress theme is “Promoting Health through Technology”. Topics and workshops include more than 20 aspects in the field of medical physics and biomedical engineering. Outstanding scientists were invited to give congress keynote lecture, plenary lectures and theme keynote lectures. Further information about the WC2012, please visit www.wc2012.org.

Important Date:

Paper submission deadline: **January 7th, 2012**

Abstract submission deadline: **February 10th, 2012**

Notice of acceptance deadline: **February 15th, 2012**

Author registration deadline: **February 20th, 2012**

Early bird registration deadline: **March 15th, 2012**

Special Rate Registration (SRR):

Congress offer delegates from low or lower middle income economies Special Rate Registration (SRR) which is almost half of the standard registration rate.

Detailed registration information, please refer to the link: <http://www.wc2012.org/registration.html>.

Submission of Abstracts and papers:

We are pleased to invite participants to submit abstracts (within 300 words) for consideration in the final program and to submit optional papers for consideration for publication in IFMBE Proceedings. Abstracts of the World Congress will be published on CD after a simplified review process. Full paper contributions, accepted after peer review, will be published as IFMBE Proceedings on CD and on the Internet. The IFMBE Proceedings are published by Springer Verlag and are cited in EI, Scopus, WoS Proceedings (ISTP, etc.), Springerlink, and Google Scholar etc..

To submit an abstract or paper, please refer to the link:

<http://www.wc2012.org/abstractsub.html> and <http://www.wc2012.org/instruction.html>

Detailed information about registration, please refer to the link:

<http://www.wc2012.org/registration.html>

We are looking forward to receiving your submissions.
