DEMONSTRATE!

AGAINST THE HEALTH AND SOCIAL CARE BILL

The Health and Social Care Bill will soon be voted on by our MPs.

It is widely opposed by health professionals, including GPs. There has been very little coverage of this in the media. Our government wants to put private profit before our access to medicine and care, but . . .

**Wednesday 8 Feb
2.30 - 8.30pm**

**Old Palace Yard,
Westminster SW1P
- opposite the Lords**

They work for us - they have no mandate for privatisation

YOU CAN STOP THEM - act now, inform friends, family and workmates. Protest! Don't let them take your NHS away.
