9000 WAYS TO ENGAGE

annual student conference

The Annual SLTN Conference will be focusing on the diversity of initiatives, projects and opportunities that students can get involved in during their time at University.

With the fees rise on the horizon, the SLTN want to continue promoting a positive attitude to getting involved in Learning and Teaching, and encouraging students to creatively engage with their Institution instead of conceding to the increasingly 'consumer' stance.

Birmingham City University
City North Campus

28

28 February 2012
9.30am - 4.00pm

£

£10 conference fee
