

# FAMILIES IN A CHANGING EUROPE CHALLENGES, CONFLICTS AND INTERVENTION

6<sup>TH</sup> CONGRESS OF THE EUROPEAN SOCIETY ON FAMILY RELATIONS

26.–29. SEPTEMBER 2012  
LILLEHAMMER | NORWAY

We invite symposia and papers discussing the implications of contemporary social, cultural and economic changes for family relations, family practices, relatedness and intervention:

Increased varieties in family forms  
Migration and transnational families  
New care regimes for children and for elderly people  
Family and working life  
Gender equality and family policy  
Families under economic recession  
Varieties in fertility rates across Europe  
Rapid population ageing  
Fatherhood  
Challenges and dilemmas concerning use of new fertility technology  
Family intervention  
Family support offered by private agencies and the civil society
