## Making SENSE 2012

Making our Museum accessible  
for families with visual impairment

## What is Making SENSE?

The V&A Museum of Childhood is a friendly, inspirational and fun place for all the family and is free for everyone to enjoy. We are inviting families with visually impaired children or parents to help design workshops and learning resources. In the morning, help us plan a self-guided trail or backpack. In the afternoon, join us for arts and crafts and tell us which art activities you think work best! You can join us for all three days, or just one half day session, whatever suits you best.

**Saturday 28 April** (10.30 - 13.00) and (14.00 - 16.30)

**Sunday 20 May** (10.30 - 13.00) and (14.00 - 16.30)

**Saturday 16 June** (10.30 - 13.00) and (14.00 - 16.30)
