LIVE AND STUFFING!

Witness a live demonstration of taxidermy by the UK's most famous contemporary taxidermy artist

FRIDAY 18 MAY, 7.00 – 8.30PM

With fans including Charles Saatchi, Damien Hirst and Kate Moss, Polly Morgan is one of the most collectable artists of her generation.

Polly demonstrates her unique taxidermy and discusses the inspiration behind her eerily beautiful still lives. It promises to be a fascinating, surreal and unforgettable evening.

All taxidermied animals are either road casualties or donations by pet owners and vets after natural or unpreventable deaths.

No booking required.
Places will be allocated on a first-come-first-served basis.
