

*Delivering a Competent and Confident Workforce for the Future*

## **2012 Health Educator's Network Post Graduate Educational Bursary**

**£1,000**

The Health Educator's Network (HEN) is a Social Enterprise organisation providing learning and development for the Health and Social care sector.

In 2012 we will make two bursaries each of £1,000 available to support the contribution to health within two key priority areas:

**i) Public Health Capacity:** to support research and practice addressing policy, leadership development and delivery of Public Health to meet the needs of the local community.

**ii) Workplace Health Capacity:** supporting professional development to create a cadre of excellent workplace health leaders of the future and foster excellence and capacity-building in advancing workplace health

To qualify for consideration by The Health Educator's Network you must reside within the East Midlands, plan Post graduate study within the East Midlands and be committed to undertake relevant work for The Health Educator's Network for ten days.

**Please note that the closing date for proposals is 15.6.12.**

Information about successful bids (including winner information) will be published on the HEN website; <http://www.healtheducatorsnetwork.org/> later in the year. Successful applicants must agree to their information being posted on the website.

Please return completed application forms to:
