

Faster Research. Lower Costs.

Social Sciences Directory is a new web-based open-access publishing platform, aimed at the global academic research and higher education market.

- Peer reviewed journal articles & book chapters
- Case studies
- Datasets
- Presentations
- Conference proceedings
- Postgraduate dissertations
- Create online forums
- Links to other content

Do you yearn for faster dissemination of your research?
Interested in Open Access, but not an open wallet?

The new Social Sciences Directory has the solution

CALL NOW FOR A 40% SAVING OFF INSTITUTIONAL MEMBERSHIPS

eduserv

Special time-limited Chest Agreement Offer:

18 months (01/07/2012 to 31/12/2013) of unlimited submissions for £1800 (+VAT).

Eduserve is proud to present a special offer of discounted institutional membership to a new Social Science open access resource that is sure to springboard your research methods.

Benefits of choosing Social Sciences Directory

1. Increase the published output of your institution
2. Decrease costs by building up an open access resource
3. Speed up time to publication, aiding dissemination and citation for authors
4. Making better use of resources by providing a one-stop shop of content
5. Responding to changing user behaviour by providing multi-disciplinary searches

To trial this resource at the special discounted rate of £25 a week for 18 months, call us now.
