

Discover the country's enormous heritage potential!

Call to action! Committee member/s sought to join our Committee for Wales

The Heritage Lottery Fund (HLF) distributes the heritage share of funds raised by the National Lottery and since 1994 has invested £240 million in more than 2,000 heritage projects in Wales with awards ranging from hundreds to several million pounds.

Help shape the country's heritage future

We are now seeking to appoint at least one new committee member.

The committee makes decisions on grants between £100,000 and £2 million. It provides a crucial perspective to the Board on larger grants and the funding priorities for Wales and maintains an oversight of the small grants decisions. Members meet people involved in heritage projects, represent HLF at openings and events and act as advocates for the value of heritage to modern life.

We are keen to receive applications from people from a variety of backgrounds and experiences, who can demonstrate an affinity for Wales' diverse and exciting heritage. Candidates with experience in built heritage, museums/libraries or archives, young people, or community groups are especially sought. We welcome applications from people from black, Asian and minority ethnic communities, people with disabilities and individuals across all age groups.

Please contact Jennifer Stewart, Head of HLF Wales, to find out how we operate in Wales and about the role of a committee member, via email JenniferS@hlf.org.uk or phone 02920 234 144. To register an interest email decisionmakers@hlf.org.uk or visit our website at www.hlf.org.uk for more information.

The closing date for applications is **Monday 22 October 2012**.
