International Conference on Tourism

Trends, Impacts and Policies on Sustainable Tourism

Limassol, Cyprus
5th – 8th June 2013

<http://www.iatour.net/icot2013>

Following the success of the previous two International Conferences on Tourism (ICOT) and the support by the international scholarly community, the organizing committee has decided to continue the initiative with the organization of the 3rd conference that will be held in Limassol, Cyprus.

Conference Aims and Scope

Most destinations worldwide have been, and continue to be, subject to tremendous visitor pressures with both positive and negative consequences. As a result much debate has been raised on whether tourism is beneficial for tourism destinations or whether tourism creates the seeds of a destination's destruction. However, there is still discussion on philosophical stances on which are the appropriate policies and management techniques to ameliorate tourism problems and achieve sustainable tourism development, as well as on the significant role played by the local government in the development of tourism. Bearing all these in mind, this conference aims to add to this debate by stimulating discussion and exchange of ideas between tourism professionals, academics, researchers, policy-makers, consultants, practitioners, government officials and postgraduate students from all tourism-related fields.

Papers Submission

ABSTRACTS

Abstracts are invited for concurrent sessions and poster presentations. The abstract will be used by reviewers as the basis for acceptance of the paper or poster for presentation. Thus the abstract should clearly communicate the objective of the work, the results and their significance, and the advancement over previous work. Time and effort spent constructing a clear, concise, and well-written abstract will maximize the chances of paper acceptance. New and significant work is a prerequisite for paper acceptance. Abstracts may only be submitted online at: <http://www.iatour.net/icot2013/article.php?id=7> by the deadline 30th April 2013. The abstract body should be between 250 and 350 words and it must include a brief background, methods, results, and conclusion(s) where appropriate. (The online submission system will not allow submission if the maximum number of words is exceeded). Please submit text only. References, tables, figures and special characters are not permitted.

POSTERS

Poster sessions will be scheduled for poster presenters to be able to answer questions regarding their projects. Title should be in bold. Author's affiliations and e-mail addresses for corresponding authors should be included. Body of the poster should start with a short introduction followed by methods, results and conclusion(s) clearly indicated. Text should be kept to a minimum, and each block of text should include no more than a few sentences. Suggested font sizes are main title: 78-96 pt (bold, upper case), author(s): 72 pt (bold, title case), affiliation(s): 48 pt (normal, title case), subheading: 36 pt (bold uppercase), body of text: 24 pt (normal). Posters may only be submitted via e-mail (as an MS-Word attachment) to icot@iatour.net, no later than May 25, 2013. Posters that are selected will appear in the book of abstracts.
