Dear Friends,

I welcome you all to Mumbai which is the "Gateway to India" from 8<sup>th</sup> to 11<sup>th</sup> of December 2013.

I am sure you will enjoy this multi-faceted "Maximum City" as well as the great scientific feast arranged for you by the scientific committee of the IFNE for this VI World Neuroendoscopy meeting.

We would like all of you interested in hydrocephalus, intracranial and skull base endoscopy as well as spine endoscopic surgery to join us and exchange your ideas and technical achievements in this field. We would also try to give you a flavour of Indian culture and cuisine to make this a memorable event at the unique heritage structure of the Taj Mahal Palace and Tower.

With regards,

Dr. C. E. Deopujari
