

Book Presentation - *Londres y el liberalismo hispánico*

You are warmly invited to attend a reception to celebrate the publication of *Londres y el liberalismo hispánico* by Iberoamericana / Vervuert with the editors Dr Daniel Muñoz Sempere (King's College London) and Dr Gregorio Alonso (University of Leeds). The book is a collection of essays by both British and Spanish academics that track the fortunes of those who fled to the English capital following the return of Ferdinand VII to the throne, and shows the intellectual vibrancy and occasional eclecticism of this diaspora.
