

## **Cerebra Centre Academic Conference**

*Phenotypes of Neurodevelopmental Disorders: Current Research and Future Directions*

7<sup>th</sup> June 2013

University of Birmingham

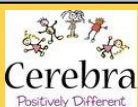

The Cerebra Centre for Neurodevelopmental Disorders will be holding a free one day research conference at the University of Birmingham. The conference will cover aspects of the cognitive, social and behavioural phenotypes of neurodevelopmental disorders.

Keynote speakers will be invited to discuss progress to research in their field, including methodological advances and future directions.

The conference organisers welcome abstracts for poster presentations relevant to the conference theme.

**Registration opens: 18<sup>th</sup> March 2013**

For more information regarding abstract submission and further conference details please visit: <http://cerebracentre.eventbrite.co.uk>.
