Shaping Rural Areas in Europe

Perceptions and Outcomes on the Present and the Future

Series: GeoJournal Library, Vol. 107

- **Analyses rurality and rural imagery from different perspectives**
- **Presents empirical material collected by using different methodologies**
- **Deals with different territorial European contexts**

Shaping Rural Areas in Europe. Perceptions and Outcomes on the Present and the Future sets out to investigate the effect of urban perceptions about the rural and consequent demands on rurality on the present and future configurations of rural territories in Europe in the early twenty-first century. This volume presents and discusses a broad range of case studies and theoretical and methodological approaches from different academic fields, mainly Anthropology, Sociology and Geography.
