

Dear colleagues,

The **Editorial Board** of the Journal "[The Annals of the University of Oradea. Economic Sciences](#)" - Tom XXII, 2013, ISSN 1582-5450 (electronic format), ISSN 1222-569X (print format), Oradea University Press, journal counted by the National Authority as B+ CNCSIS - Romania, and RePEc, EBSCO, DOAJ, SCIOPI, CABELL'S DIRECTORY OF PUBLISHING OPPORTUNITIES, SCOPUS (pending listing – review process) **indexed**, **is seeking individuals to double-blind review papers submitted** to the [9th International Conference on European Integration – New Challenges – EINCO 2013](#) being held at the University of Oradea, Faculty of Economic Sciences, Oradea, Romania on 24-25 May 2013.

This **Call for Reviewers** will **close** on **24 March 2013**.

EINCO 2013 will implement a double-blind peer review process (please read our "[Review Policy](#)" on <http://anale.steconomieuoradea.ro/en/review-policy/>).

The success and strength of the EINCO 2013 technical and scientific program depends on volunteers taking a few minutes of their precious time to read papers submitted and giving a thoughtful review. Being a reviewer is a matter of prestige and personnel achievement. All peer-reviewers will be mentioned on a special acknowledgement-area of our EINCO website (visit <http://anale.steconomieuoradea.ro/en/the-fes-conference/>), called "**EINCO 2013 Editorial Review Board**".

Peer reviewers are expected to help maintain the outstanding reputation of the Journal "[The Annals of the University of Oradea. Economic Sciences](#)" by identifying exceptional and timely papers. Engaging highly qualified reviewers with expertise and experience in Economic Sciences content [areas and topics](#) defined in the [Call for Papers](#) is essential to the on-going success of the Journal "[The Annals of the University of Oradea. Economic Sciences](#)" as well as of the EINCO future.

Efforts of reviewers are the key for the objectives of a fair and timely review process for all the papers submitted to the EINCO 2013 and the publications of only papers of the highest quality. We greatly appreciate reviewers for their help.
