SODIQ

Guilty by Association

Sodiq's childhood dreams to be a doctor were about to be realised with offers from universities including King's College. Charged in 2012 with a gang-related shooting of an equally gifted teenager, two promising futures were shattered.
Adeyemi Michael-Director/Producer

Did you know that if someone dies in a fight and you are involved in any way whatsoever, even a phone call, you could find yourself charged with murder. Guilty by Association.
