UCLES's credit terms are payment within 28 days of invoice date.

UCLES reserves the right to suspend services if payment is not made in full.

Payment must be made in £ (Sterling), by transfer to the bank account detailed below.

Centres should ensure that both their centre number and the invoice number(s) being paid are included in the remittance information that accompanies the electronic transfer. This information is essential to allow prompt and accurate assignments of payments to accounts.

It is also required that centres pay their own and UCLES's bank processing charges. This will normally require the centre to select the appropriate option on their local bank processing form.

Details of UCLES's bank account are as follows:

The appearance of a particular examination in this list does not mean it is necessarily available to all centres. Approval for a centre to administer particular examinations depends on a number of factors, which may vary from country to country. Enquiries about approval to run particular examinations should be directed to the Cambridge English Centres Support Unit.
