

## Why Gender should be on Europe's Agenda

Bringing together academics, NGOs, political bodies and youth voices to explore how and why young women can and should get involved in the European agenda

With European elections taking place next year, this event is a way to explore how young women can make their voices heard.

5pm-8pm, 7 November 2013,  
Amnesty International, The Human Rights Action Centre,  
17-25 New Inn Yard, London
