| 15.30 | Presentation of the Brighton Medal |
| 15.40 | Coffee Break |
| 16.00 | AGM |

Wednesday 4th December 2013

There will be a field trip to examine the fossiliferous Lower Greensand, Gault Clay and Chalk exposures at Folkestone Warren. Wellingtons and a 2cm wood chisel would be useful if collecting. This will be preceded by a visit to see Phil Hadland's fossil collection. We hope to return to Canterbury ca. 17.00.

For those staying on after the AGM for the field trip there will be the option of an evening meal in Canterbury. Phil will announce further details of the meal and the trip at the AGM.

A range of places to stay can be found at <http://www.canterbury.co.uk/accommodation/> The ABode hotel, on High Street, is directly opposite the museum.
